Notes

The pro-forma results were prepared for illustrative purposes only, and were obtained by making appropriate pro-forma adjustments to the historical data to retroactively highlight the effects of the 4Service Group's transaction, as if this transaction had occurred on 1st January 2020, instead of on 23 April 2020. The pro-forma results therefore include the result of the 4Service Group on the half-year basis, instead of just the results achieved within the perimeter of the Tesmec Group from the date of first consolidation (April 23, 2020).

Considering the uncertainty linked to the spread of the COVID-19 virus and the impacts on the global economy, the targets set by the Management may be susceptible to changes. These targets are set in the assumption that the pandemic situation remains stable and / or better in Europe and that it does not get worse in other areas of the world, such as the United States and Latin America
